Quick Tips

- Be mindful of your **portion sizes**. Opt for smalls or mediums when selecting your food items.
- **Watch your condiments**. Ask for dressings and sauces on the side.
- **Change up your sides!** Look for apple slices, fresh fruit cups, or side salads in place of French fries and onion rings. If you opt to have French fries or onion rings, choose the small size to go along with your sandwich or burger.
- **Add extra vegetables**. They will fill you up!
- **Pick your drink carefully**. Choose water, milk, unsweetened iced tea or black coffee in place of sugary drinks like soda.
