

Recognition for Health Care Providers

Health care sites are invited to sign up as a 5-2-1-0 Healthy Choices Count! site and join an important network of sectors working towards healthier environments where young Iowans live, learn and play. Registration is free and easy.

Registered Site

- Register to become a 5-2-1-0 Healthy Choices Count! site (https://docs.google.com/forms/d/e/1FAIpQLSewQTb8ViZ8TyPQsBuaYsl3_5_nfO6Gfje-y_2ic8F-dju0oA/viewform)
- Committed to working towards implementation of following goals:
 - Hang a 5-2-1-0 Healthy Choices Count! poster in waiting room and ALL exam rooms where pediatric patients are seen
 - Accurately weight and measure patients: ALL providers at well-child visits determine body mass index (BMI), BMI percentiles and weight classification in patients ages 2 years and older
 - Have respectful conversations around weight: ALL providers at well-child visits use the 5-2-1-0 Healthy Habits Questionnaire
- Complete annual survey

Recognition:

- Listed as registered 5-2-1-0 Healthy Choices Count! site on Healthiest State Initiative website
- Receive 5-2-1-0 Healthy Choices Count! window cling
