- **Recognition**

- Your information is saved in the 5-2-1-0 database.
- Your workplace is listed on the 5-2-1-0 online map along with your website address.
- You receive a 5-2-1-0 window cling for your site.
- Opportunity to apply for a Healthiest State Initiative Annual Workplace Wellness Award.
- Signed Certificate stating that you are a “Gold-Level” 5-2-1-0 Workplace.

Registration and Recertification Details:

Every August, each workplace will be contacted via email with a link to update their registration. You will be provided with a copy of your registration from last year. The questions will be the same, so recertification will be quick and easy.

Once you have submitted your updated survey letting us know about the progress you have made, you will receive an email notifying you of your level, and if you are eligible to apply for an Healthiest State Initiative Annual Award.

All sites who complete the registration survey will receive their window cling, welcome letter, and will be listed on the online map within 6 weeks of completing the survey.
